1. Activities

Marisa began her last week of placement at Weks. She has helped the student bring closure to the units and to help students transition on a positive note.

2. Strengths of student teacher

Marisa has totally engaged in the teaching environment. Her lessons are well developed and focused on the Common Core. She is very organized and professional. She continued to grow, to explore, and to develop her skills.

3. Things to work on next

At Marisa's next placement, she will be working with Standards-Based grading. Her focus on organizational skills will serve her well.

4. Problems/concerns

I have no problems or concerns. Marisa will be a wonderful student teacher in her next placement. She will graduate and become an excellent teacher.
